www.replenishfest.com

Dear Christ-follower,

These days when right is called wrong, and wrong is called right, God's people can become discouraged. We can easily feel overwhelmed, thinking we are few and powerless before the world's relentless onslaught. The foundational structures of God's wondrous design—His Church and the family—are attacked daily. Our enemy is good at his craft, no doubt, BUT GOD....

God has designed His People to be a light unto the world, a light which cannot be snuffed out—ever. We His People need to be replenished. We need our eyes lifted to see the bigger picture, the greater community, to see that, in fact, we CAN unite against the enemy.

Replenish Ministries, Inc., a 501c3 non-profit organization, strives to offer a space away from the chaos of the world and allow the Holy Spirit to invigorate the soul through Replenish Festival as we have gathered together for the past two years as a patchwork quilt of God's people from across our land and experienced incredible worship. This year Building 429 challenged us with their music and message to "Be Unashamed." Experiencing that worship sharpens focus and encourages us to be bold!

Replenish desires to be a revitalizing resource for the churches and the pastors who God has called to shepherd them. We desire to be a force for the Kingdom of God in our communities, our businesses, and our homes. We desire to help build back-bones of steel in the individual lives of God's people, so as to sweep our nation with the Good News of Jesus Christ. We want people to ENCOUNTER God.

Replenish Festival has been held for the past two years in Floyd County and has been self-sponsored. During that time, we've witnessed 58 people receiving Jesus Christ as their Savior and many lives were touched and renewed. For those who didn't have a home church, we were able to connect them with a church in the area that met their needs. The festival is all about bringing believers together to encourage each other, to laugh & cry, to pray, to worship, to rest, to re-focus, and be REPLENISHED. What good are we to God, our family, our church, our community if as salt we have lost our saltiness or our light has faded?

Consider joining us for 2017's festival, the weekend after July 4th. Make it a youth retreat; join us for Sunday worship. Invite your congregation to be *Replenished!* Replenish Ministries offers the opportunity to send youth groups to Replenish Festival with less driving distances and for a fraction of the price one would pay to go to events such as KingsFest at Kings Dominion in Virginia and/or Creation Festival in Pennsylvania. Replenish Festival is the only Contemporary Christian music-based festival within a 4 hour drive of the New River Valley.

Check out our website. Does our hunger for God's glory match yours? Could you be useful in the lives of the people on your heart? If yes, let us hear from you.

Replenish Ministries, Inc. is requesting your active participation in His work by any or all of the following:

- ♣ pray for our spiritual guidance in future festivals,
- ♣ attend future festivals with family and friends,
- ♣ provide feedback and suggestions,
- ♣ share your experience with others after you have attended,
- ♣ encourage your church join our referral list, to allow us to refer festival attendees in need to them,
- ♣ volunteer to help during the festival,
- ♣ partner as God might lead you,
- ♣ encourage your church or employer to consider support.

For those who feel led, we are offering financial partnerships with a suggestion of a monthly commitment to the Ministry and to our main outreach event which is Replenish Festival. We cannot do this without support! We want everyone who wants to attend to be able to attend and therefore your donation will help to fund scholarships for those who can't afford to purchase a ticket. We truly see this as an opportunity for partnership. With each commitment, we seek to work with churches promoting them and their events on our social media pages, through emails, radio, printed flyers and the like. We want to be able to refer those who make spiritual commitments to our Savior to churches who will foster and mentor the new believer's walk with Christ.

There are a multitude of ways to participate in a ministry of this size and scope. Last year we sponsored a 5-K event to help a local children's home. We also support a church plant. There is more we hope to do! The vision is large, large enough to need the whole Body. Please look for an avenue of participation that fits you. Please, please let us earnestly pray for one another.

God Bless,
Replenish Ministries Inc.
