

Dear Replenish Partners,

We'd like to thank you for your support! Without the continued support of churches and businesses Replenish Festival would not be possible. Replenish Festival 2018 was a great success!

About Replenish Festival

Replenish Ministries' mission is to serve the greater New River Valley of Virginia by striving to offer a ministry experience to replenish the hearts and lives of people. Replenish Festival offers many ministries within the event, such as concerts by touring national acts, Biblical teachings, worship services, baptisms, seminars, Kidz Zone, duck races, camping, food/merchant vendors, and much more. Over the past four years, Replenish Festival has been held on the Burnett Farm located in Floyd, VA and has been supported by partnering churches, donations, ticket sales, and local business sponsors. Replenish Ministries has witnessed 70+ people receiving Jesus Christ as their Savior and many lives have been blessed and renewed.

The 5th annual Replenish Festival will be in September 2019. A set date is still to be determined. We would like to ask for churches to invite their congregations and businesses to invite their family and friends for another amazing weekend. Replenish Festival is the only music and ministry-based festival within a 4-hour drive of the New River Valley.

Changes Made

We have voted to move the event from July to September 2019. Here's how this change will greatly benefit Replenish Festival:

- ★ It provides us the opportunity to invite and involve all the local college students of Virginia Tech, Radford University, Ignite Bible College, and other colleges located in the Southwest VA.
- ★ It helps financially by booking national artists cheaper at a lower cost as part of a Fall tour with full production rather than booking individual artists as well as production separately.
- ★ Temperatures in September are a bit more comfortable for attendees versus hot and humid weather in July.

Our ministry team has learned many things over the last four years! We aspire to have your continued support to help Replenish Festival grow and make an even bigger positive impact on the community of Floyd County, the New River Valley, and beyond.

Why do we need commitments

The national headlining artists get booked up fast! By February, the choices are already becoming limited. In the event that Replenish Festival were not to go on as planned, your church or business would be refunded 100% of your contribution.

Your commitment by March 31st 2019 can be an actual check or an online commitment through our website. We offer one time commitments as well as monthly commitments.

Feel free to call with any questions about our ministry! We will be happy to sit down with you and discuss the ministry and festival. Visit us at www.replenishfest.com

Thank you from founders Travis and Mandie Bishop and the Replenish Ministries Team.
