

Replenishfest
Rules and Agreement for Dogs on Festival Grounds

The undersigned dog owner, in consideration of being allowed to bring their dog onto the Replenishfest festival grounds, represents, warrants, understands, and agrees as follows:

The undersigned represents and warrants that the undersigned is the owner of the dog and responsible for the dog's care and control, that their dog is up-to-date on all vaccinations, that their dog has never before bitten or attacked a person or tried to bite or attack a person, that their dog is not violent or aggressive towards people or other dogs or horses, that their dog does not constitute a danger to anyone, and that their dog would not cause any disturbances from excessive barking or otherwise that would interfere with the enjoyment of the festival.

The undersigned understands and agrees that the undersigned will keep their dog on a leash (no longer than 10 feet) at all times, will keep their dog away from the horse ride area, will pick up dog waste (bags are available at the gate) and properly dispose of the dog waste in a trash receptacle.

The undersigned understands and agrees that Replenish Ministries, Inc., reserves the right to require any dog owner to leave the event with their dog if, in the sole discretion of any agent of Replenish Ministries, Inc., it is determined that any of these rules have been broken, the dog shows aggression to people or other animals, or the dog is creating any disturbance by excessive barking or otherwise that is interfering with the enjoyment of the festival.

The undersigned agrees to indemnify, defend, and hold harmless Replenish Ministries, Inc., its officers, directors, employees, and agents, and property owners John Michael Turman and Wanda A. Turman, (collectively, the "indemnitees") against any liability, damage, loss, or expense (including reasonable attorneys fees and expenses of litigation) incurred by or imposed upon any of the above indemnitees in connection with any claims, suits, actions, demands or judgments under any theory of liability resulting from or arising out of the undersigned's dog being on the Replenishfest festival grounds.
